6. Bearing Much Fruit

1937 Bethany Calendar:

- a)... to give our youth foundational Bible instruction in the German and English languages,
- b) to wrench our youth away from frivolous pursuits and the contemporary "Zeitgeist,"
- c) to nurture the German language as a special possession handed down from our fathers,
- d) to raise believing youth for the battle of the faith, [and] to take into account the needs of the congregations in the methodical training of Sunday school teachers and sundry (church) workers.
